### Get to the Point

If you fancy a new house and wouldn't mind supporting some of SA's most deserving charities into the bargain, you have just one month left to be in the running for the Channel 9 Telethon Distinctive Home and Land Lottery. This year's prize, a four bedroom home in AVJennings' The Point development, is valued at more than \$350,000 and your \$5 ticket (or \$25 for six) will help charities such as Mary Potter Foundation, Childhood Cancer, SCOSA and SIDS and Kids continue their much needed work in the community. The winner can also choose a cash option of \$280,000. The lottery will be drawn at Channel 9 on Monday, December 10, at 1pm.
